MEET AT THE ST. JAMES HOTEL, CIMARRON, NM AT 11 AM

NO HOST LUNCH, BUSINESS MEETING AND TALK BY EDWARD SITZBERGER

To our dear Corazon members: What a great trip to the Rock Crossing on October 11! Dixie and Martha really did it up right, and we had many others who contributed to the occasion. Thank you letters have been mailed to the ranch owners and manager. Now to focus on our next event, which is November 8 at the St. James in Cimarron. Please meet at 11:00 a. m. and we shall have a business meeting followed by lunch. We need you to bring all your ideas and concerns, and I'm not averse to doing a little pre-planning for next year. Edward Sitzberger has agreed to speak to us after lunch. I'm sure Ed would like to talk about the hotel, since he was the one who purchased it and did the first restoration before Bob Funk purchased it. I have requested that he show us the survey marker rock left by the Wheeler expedition, and show us at least a part of his home. His house was the old "National Hotel" which is older than the St. James. Ed has also helped restore the village well, old jail, etc. Please try your best to attend this meeting. We need all of you. Dennis
