**APRIL MEETING, SATURDAY, APRIL 11, 2015**

**MEET HERZSTEIN MUSEUM, CLAYTON, NM at 11AM**

**LUNCH WILL BE PROVIDED FOR \$8.00 EACH**

**Message from Dennis Schneider**

Dear Corazon members:

Our first outing of the year is at the Herzstein Museum in Clayton, N. M. at 11 am on Saturday, April 11. If you enter Clayton from the west, proceed east on main for one block past the stoplight and turn right. It is on the left hand corner of the block. If coming from the north-west turn left at the first stop light, proceed east for one block and turn right and go to the end of the block.

We will meet at the museum and Victoria Baker will be our host. Lunch will be provided at \$8.00 each. Faye has set this up, but she will be representing us at the Spring Board meeting in Salina, Kansas that day. She told Victoria to expect 15-20 people for lunch and I only have about ten signed up, so feel free to bring a guest. Our back up is supposed to be touring the dinosaur tracks. It would be nice if we could visit the Clayton cemetery and see Black Jack's grave, Tom Boggs (founder of Boggsville), etc.

If you attended the March business meeting I think you are well posted as all our activities have been confirmed. I will try to have a calendar for you if you attend April 11. Dennis
